If you are considering food delivery for your band kid during band camp, the above addresses are where food should be delivered. During Band Camp we will have a table and sign set up at the HS, Door #42 Performing Arts, with a chaperone there to receive deliveries and to label deliveries. We cannot guarantee a chaperone will be available at Hickory for the guard, but food can still be delivered there. It will be up to the kids to come to the table and pick up their food. Chaperones will not be distributing the food to the kids throughout the building. Also, the Chaperones are not taking any responsibility for exchange of money, all food should be paid for in advance.
