Avon Community School Corporation strives to provide the best quality music equipment to Avon students. To do this, equipment repairs and maintenance are necessary. Proper maintenance improves playability and durability of the equipment. In order to continue to effectively maintain equipment, corporation and student/parent financial participation is necessary. For the 2019-20 school year, **the School Corporation will be charging the students a \$50.00 per semester rental fee for the use of a school instrument.** These instruments include: Marching Brass, Tubas, Euphoniums, Tenor and Bari Sax, Oboe, Bassoon, Bass Clarinet, and French Horn. **Please make sure this fee is on a separate check and payable to Avon High School.** The \$50 maintenance fee will not apply to students who only use privately owned instruments.

### **AVON HIGH SCHOOL BAND PROGRAM**

#### **Avon High School Extra Curricular/Co-Curricular Code of Conduct**

Avon High School provides students an extensive and diverse offering of co- and extra-curricular programs such as clubs, performing arts, student government, and more. Each co- and extra-curricular activity has its own code of conduct detailing the expectations of student behavior in addition to those set forth in the "Student Expectations and Discipline" section of the student handbook. Higher standards of behavior are in place for students in these activities to promote good citizenship as these students represent Avon High School through local, state, and national competitions, meetings, and performances. To deter student use of tobacco, alcohol, drugs, mood-altering or performance-enhancing substances, all students involved in school-related or supported activities are included in the random drug testing pool. ### **Physical Guidelines Policy**

The Avon Band department and its competitive ensembles require a high degree of physical training and conditioning. It is part of the curriculum of each ensemble to develop and maintain a certain level of athletic coordination and conditioning that in turn is part of the program for competitions. With this understood there are several guidelines the

staff and students need to be aware of and follow.

1. All students that participate in extra-curricular or co-curricular activities will need to have a current physical on file **dated after April 1<sup>st</sup>, 2019,** and have signed all waivers, and be cleared in **Privit.**
2. All students and parents are aware that physical conditioning, training and endurance are an integral part of the skill sets required for any type of success of the extra-curricular or co-curricular activities
3. All of these ensembles will require a certain level of physical ability to participate and thrive in the extra-curricular or co-curricular ensemble. Inability in certain areas of physical training or conditioning could jeopardize the student's ability to actively participate in one of the extra-curricular or co-curricular activities. These issues could be because physical skill sets or medical reasons.
4. Students who have medical issues should have their doctor's permission to participate in any of these extra-curricular or co-curricular activities. In addition, the student and or parent should discuss the situation with the director of the activity prior to any rehearsals or practices. It will be at the discretion of the Unit Director to proceed or disallow the student's participation in any situation that might put the director, the band department, or the Avon Community Schools at risk or liability for any injuries or medical situations.
5. If an emergency does occur the parent will be contacted. There is a team of volunteer medical professionals who assist on weekends to provide support to students and/or staff, and to make the needed contacts.

#### **STUDENT ACCOUNTS AND GENERAL FUND**

Fundraising is a combination of things. Some activities raise money for your student's account. Some raise money for the General Fund. Some activities involve selling product to your neighbors, family, and friends. Other activities require you to complete a task in order to enjoy the benefit. How you participate is based on your needs and your comfort zone. It is important to remember that funds that go to the General Fund also benefit your student's account by reducing the overall band fees.

#### **Student Accounts**

Individual accounts are set-up for each student. These accounts may be used by the student for band fees, instrument needs, uniform needs and any travel related expenses. The accounts are funded by payments into the account and/or money earned by the student by participating in fundraisers. During the year, fundraising opportunities are provided for the student to earn money for his/her account. Each student's account is credited upon receipt for the total amount earned. Once your student has an account in Charms, you will have the ability to view your student's account at any time. Various fundraiser opportunities are provided almost every month for the students to participate in. The tentative fundraiser schedule is as follows: June- Zap Snack French Bread Pizza, July/August - Band Gold Cards, Buttons, Yard Signs, and Decals, September - Trash Bags, October - Insulated Mugs, November - Crew Car Wash, December - Gourmet Coffee, December/January - Salsa, February - LaBraid/Popcorn, March - Otis Spunkmeyer, April - Laundry Detergent. The directions below are for using Scrip cards that can be purchased year-round and is an easy way to put money in your student's account, and not have to go door to door.

#### **SCRIP Order Information**

You have to shop anyway, so you may as well earn money for band fees, by purchasing gift cards through [www.shopwithscrip.com](http://www.shopwithscrip.com) Simply, purchase scrip for places you plan to shop, and use that instead of cash or credit. Scrip comes in a couple of different forms. There are physical gift cards, Reload of the physical gift cards, ReloadNow of the physical gift cards, and ScripNow. The biggest difference is the time frame of when your scrip is available to you. The physical gift cards will arrive in the band office a few days after the order is placed. Reload of the physical gift cards is typically available the day after the order is placed. ReloadNow and ScripNow is instant. ScripNow will come to your email. Simply, pull it up on your phone so the retailer can scan the code. You must have PrestoPay to use ReloadNow and ScripNow.

You earn a rebate based on the offer, and scrip value. EX: Restaurants typically have the highest rebate amounts (8-10%), and grocery stores/gas stations have lower amounts (2-3%). Most chains are offered on scrip except for Kroger (they have their own program). There are special offers each month and you will find scrip with rebates up to 20%! Think of using scrip not just for daily purchases, but also gifts. Any occasion when you would give a gift card can be an occasion to put money into your account!

Orders are placed on the 15th and 30th of each month. We pay \$13.50 for shipping/handling for each order. The more people who order, the less the shipping charge is for each family. Go to [www.shopwithscrip.com](http://www.shopwithscrip.com), click on the green button that says "Get Started" You will then click on the blue button that says "Join Your Existing Program"

Enter our enrollment code **L6C4272E22794** then click the blue "Register" button.

Fill in all the information on the next screen: Username, Password, Account Information, Your student's name must be filled in to receive credit for purchases, Email address, Security Questions, and then click the blue "Register" button.

You will be emailed a 4-digit number that you need to forward to Carol Eads (there is a 15¢ convenience fee each time you use PrestoPay).

### **General Fund**

**Concessions:** We staff concessions for the events in which the band hosts. We make hot dogs, popcorn, nachos, and serve up cold drinks and candy. You will be asked to work a few hours with some very nice people. No experience necessary and someone will happily show you what needs to be done. Working concessions is FUN! The jobs are pretty basic, the company is exceptional, and the shift goes by quickly. If you have an older child, bring them along to help out, they will probably enjoy themselves too! The fact is the proceeds from concessions reduce YOUR band fees by several hundred dollars per student. You will be expected to help out to keep the band fees down.

**Avon Invitational:** We sponsor an Invitational in September. We need people for the Hospitality Rooms, to work at the gate, to act as guides, and so many other tasks. It is a long day for everyone, but a huge moneymaker for the program. This event requires **all** parents to ensure success.

**Indiana Percussion Association (IPA) event:** This is the state preliminary drumline contest and is held at Avon every year in March. Drumlines from across Indiana compete at Avon H.S. to qualify for the state championship competition. This event requires **all** parents to ensure success.

**Kroger Community Rewards** - Please consider signing up for Kroger Community Rewards as well. You can enroll using this link: <https://www.kroger.com/account/enrollCommunityRewardsNow> and search for the organization name: MARCHING BLACK & GOLD.

### **Smile.Amazon.com**

Probably a lot of you have shopped Amazon.com. If you go to [www.smile.amazon.com](http://www.smile.amazon.com) and search for **Marching Black & Gold Inc.** and then place your order, the band will receive .05% of the purchase price of eligible products.

### **AVON HIGH SCHOOL ALTERNATIVE PHYSICAL EDUCATION I AND II CREDITS (PE Waiver)**

#### **Education I and II Credits PE Waiver (updated February 2013)**

The Indiana State Board of Education has provided flexibility to adapt the high school physical education requirements for students who demonstrate proficiency through other means.

#### **PROGRAM AND REQUIREMENTS:**

- One (1) PE credit will be given for a complete season of:
  - o Any AHS sponsored IHSA sanctioned sport
  - o Competition Cheerleading
  - o Marching Band
  - o Winter Guard
  - o Winter Drumline
  - o Indoor Winds
  - o Competitive Show Choir
  - o Dance team

All of these activities are within the framework of lifetime physical activities and fitness.

- You can earn one (1) credit in PE I and one (1) credit in PE II for any 2 of the above activities. You can also repeat the same activity your freshman and sophomore year to earn the 2 credits.

- Retroactive credits will not be awarded. It is your responsibility to get the form completed and turned in after completing the activity.
- A complete season is defined as: **first practice to final event**. The student must remain on the active roster the entire season or the duration of the activity.
- Disciplinary suspensions from the team or activity may result in forfeiture of credit as determined by the coach, director, or sponsor.
- At the conclusion of the season or activity, the coach, director, or sponsor will validate completion on the waiver form.
- The form must be completed and turned into the guidance office within 2 weeks of the end of the activity.
- A grade of A will be granted to all students who meet the requirements for the alternative credit.
- **Both PE I and PE II credits must be earned by the end of the sophomore year.**

**THINGS YOU MUST DO:**

The PE Waiver Form must be completed by you and the coach, director, or sponsor at the completion of the activity. You must turn the PE Waiver Form into the guidance office within 2 weeks of the completion of the activity. Make sure both PE I and PE II credits are completed before the end of the sophomore year. See your school counselor for information and forms or download forms on [www.avon-schools.org](http://www.avon-schools.org) at the high school page.

**RULES, GUIDELINES AND POLICIES**

**Attendance Policy**

Attendance is mandatory at all band performances! Any problems will be dealt with on an individual basis. Any absences from all or part of a rehearsal, summer, fall or winter, spring will require a written excuse from parents or a doctor giving an explanation or reason for the absence. Vacation absences should be turned in as soon as dates are available. Notes must be placed in the appropriate drop box outside the Mr. Webb’s office door or reported to Daniel if your student is in the Guard. Excuses should be turned in, in advance of the absence when possible. Students with jobs will be expected to be at all rehearsals, inform your employers accordingly. If the student has one unexcused or two excused absences from rehearsal within a one-week period, they will not be allowed to march that weekend.

**Rehearsal Guidelines For Students**

1. Each student is expected to be on time, if not early, to all rehearsal/performance functions, with instruments and ready to begin. If you are on time, you are late!
  2. The student is expected to have both their instrument and music ready prior to starting for all rehearsals and performances.
  3. Students should have a pencil ready to mark rehearsal suggestions.
  4. Students should behave considerately to whomever is on the podium, whether it be the director, drum major or a guest of the band.
  5. Students should treat school owned instruments like their own. Any loss or damage of the instrument will be the student’s liability and will be assessed accordingly.
1. There are four (4) places your instrument should be (school owned or privately owned)
    - In your hands
    - Lined up in a section
    - Lined up in the cases
    - In your band locker
  2. Cell phones are NOT ALLOWED to be used during rehearsal, unless directed to by a staff member. If you need to contact your child for an emergency, you may call one of the co-Presidents (numbers on back of handbook).

**Rehearsal Clothing Guidelines**

Students should wear comfortable clothing to all rehearsals. Shirts (required for all rehearsals and band camp) shorts, sweats, loose fitting pants, socks and good tennis shoes are the most acceptable attire. The Guard is required to wear

sports bras as well as spandex shorts under practice shorts. Please listen to weather reports in the morning or evening and plan your attire accordingly. When after school rehearsals begin, you must bring proper attire to change into if your school clothes for the day if they do not fill the requirements for rehearsal. Students in the color guard should check with their director for the appropriate dress style.

### **Performance Guidelines For Students**

1. Make sure all your uniform parts are clean and fitted properly. Improper uniform care will not be tolerated.
2. You **MUST** wear a t-shirt with short sleeves under your jacket.
3. You will be required to wear shorts or a spandex short, such as a biker short, under the uniform pants.
4. Make sure your instrument is in good repair so that you can perform to the best of your ability.
5. All students are to report to the band room one hour before a scheduled concert or at the time specified by the director.
6. When in uniform: No PDA, No eating, No smoking, No swearing, No running (unless told to do so by a Director or staff member).
7. Everyone should be professional while in a performance setting. Unprofessional behavior could be cause for dismissal from the band program.
8. The Guard will wear black nylon/polyester pants in conjunction with their purchased Guard jacket as part of the "uniform" during the season. The guard will wear the pants/jacket to and from competitions.

### **Performance Etiquette for Fans**

- We follow a strict code of behavior at Avon. It is designed to show appreciation for ALL of the bands that take the field. You will occasionally witness bad behavior from other spectators, but rarely will an Avon parent show poor sportsmanship. Part of participating in a top-notch program is demanding excellence not only on the field, but off the field as well.
- Do not make derogatory comments about anyone. All the participants have worked hard. If you have something you don't like about a show, save it for the ride home. This is about respect. We have a reputation for being a class act. Help keep it that way. Besides, you have no idea who you are sitting by or with. Do you really want to take the chance that someone will be offended by your editorial comment?
- We give a standing ovation to EVERY band that performs. Get up and give the bands your enthusiastic applause. Other schools do notice and have commented on it. The kids appreciate it and you will feel good at the end of the competition.
- **Cell Phone Etiquette** If you have an emergency, leave the stands and make your calls. **DO NOT TALK ON YOUR CELL PHONE** or carry on a loud conversation during any of the performances. It is disrespectful to the bands and to your 'neighbors.' Put down the phone and enjoy the experience; most matters can wait an hour or two.
- After the band takes the field, the announcer will introduce the band and the crowd quiets. **DO NOT** yell out your child's name or anything else during this quiet time. This is not a football game. The kids are nervous and trying to focus on the task at hand ... performing the show.

### **Bus Carry-On Policy**

NO GLASS CONTAINERS! You can have:

3. Bottled water
4. Jacket or sweatshirt and pants for cool late nights
5. Necessary band items and personal items
6. Pillow and/or blanket
7. **HOWEVER - NO BAGS ALLOWED IN FRONT OF EMERGENCY DOORS OR IN THE AISLE OF THE BUS.**

Please Note: Sometimes the band performs twice in the same day at two different locations. This means students must have enough food for more than one meal and may not have the opportunity to purchase food. Please make sure your child is prepared to make their day a success.

### **Parent Releases Policy** – Picking up your student after a performance.

Occasionally parents may need to take their child directly following the contest. This must be taken care of in writing PRIOR leaving the school before the competition. When picking up a student at the contest site, student or parent must have given their bus chaperone a written note, signed by their parent or guardian, before the student may be released. No student will be allowed to leave a contest site with anyone other than his or her parent or another adult, without written permission from his or her parent or guardian. Parents may be asked for identification if chaperone is not familiar with the parent. These requirements are in place to protect you and your student. The student is also responsible for having someone else unload their instrument and anything else they are responsible for when returning to the school.

### **Grading Policy**

All grades will be based on the following criteria; periodic playing tests, quizzes, homework including counting charts and other assignments announced by the director, attitude in rehearsals and at performances, attendance at all band functions.

### **Locker Lock Policy**

Most will be assigned a locker. Each locker will have a combination lock assigned to it. Should this be lost, there will be a \$6.00 charge to replace it.

### **Use of Physical Skills as Reinforcement or Punishments**

- It is the tradition of the Avon Band department to use physical skill sets as a way to reinforce positive and negative aspects of any of its extra-curricular or co-curricular activities. Students may give themselves one of these skill sets as a way to reinforce concentration and excellence. However, that should not take away from, or disrupt the rehearsal. A standard reinforcement would be 10 pushups.
- Staff members may deem it necessary to give reinforcement information at times but do so with careful consideration. It is considered acceptable to give 1 lap, or a set of 10 pushups, or a set of 25 sit-ups, or a set of 50 jumping jacks as a result of this reinforcement
- Students are not to be pushed beyond what would be considered a normal scope either for conditioning or reinforcements.
- Students who feel they are being pushed beyond their ability to maintain a personal safety level of physical exercise should stop immediately. They will not be punished for being unable to complete the physical skill set that is being required of them. Alternative reinforcements can and will be found to alleviate the unsafe situation.

### **Uniform Guidelines**

#### Band Members

In June, uniforms will be fitted and assigned. Each member will be given a pair of black gloves and a pair of black socks (included in your band fee). Each member will be fitted for shoes (see page 4 for cost information). Band members are encouraged to wear band show t-shirts (or shirt type and color per Director's discretion) and dark colored bike type shorts under their uniforms and wear their black socks for **ALL** performances.

#### Guard

Guard members will also need Spanx and strapless bras (depending on the costume). Wait for information from the Director.

### **Uniform/Guard Costume Care Procedures**

The following procedures are to be followed by each band/guard member.

1. All uniforms/costumes are kept in the uniform or guard rooms at the school.

2. All pieces of each uniform are numbered and assigned to a student.
3. Each student is responsible for hanging his/her own uniform/costume back on the hanger properly and returning it to the Box Mom/Dad responsible for their assigned box.
4. Students are not permitted to eat while in uniform, unless otherwise instructed by the directors.
5. The proper way to wear the uniform is with the jacket all the way on (hooked and zipped), or with the jacket off and carried, folded over the arm. When wearing the uniform, please look before you sit (even on the bus) to be sure you do not sit in something that will stain the uniform. Guard will wear their warm-up jackets and pants over their costumes when travelling.
6. Normal wear is to be expected, but if there is a problem with the uniform, please bring it to the attention of the Box Moms/Dads so that it might be corrected.

## **BAND CAMP INFORMATION**

### **Band Camp Checklist**

Band Camp runs from July 15-26 and will be local this year except for a day at DePauw University. We will work around Freshman Orientation and provide a time to attend Oriole Preview Day. You will need to take care of food (bring it with you, go get it, or have it brought to you) for lunch and dinner most days. Below is a list of things to make sure you have to make band camp more pleasant for everyone

- Spirit Day clothes
- Extra socks
- Hat
- Rain gear
- Sweatshirt/ Jacket
- Sunglasses
- Comfortable Tennis shoes
- DEODORANT!!!
- INSTRUMENT
- Band binder/ pencils
- Water jug
- Frog Tog/Wet washcloth/cooling towel
- Lots of sunscreen
- Bug spray
- Snacks/ Gatorade

**Make good choices! BAND CAMP IS NOT THE TIME TO BREAK IN NEW SHOES.**

Sunburn is our biggest and most troublesome problem at band camp. Some students develop second-degree burns from being out in the sun with little to no protection. We suggest a sunblock with a minimum of SPF 30.

**In case of an emergency**, the band secretary's number is 317-544-5093 or 317-502-5845.

### **Parent Chaperones**

We require chaperones during band camp to supervise the students when they are not practicing. A background check must be completed and on file. If you have not done one in the past 3 years, please follow this link:

<https://www.avon-schools.org/domain/4462> The secretary will run the background check, so an email to [cmklemmensen@avon-schools.org](mailto:cmklemmensen@avon-schools.org) to inform her, will speed things along.

## Staff

A complete staff of qualified musicians and drill instructors have been contracted for band camp. They are experienced band personnel, who will assist in field and music instruction.

**\*\* ALL SCHOOL RULES and BAND CODE OF CONDUCT APPLY**

**\*\*\* NO HAZING!!! *You could be banned by the program or Arrested by the Authorities***

## SUPPLEMENTAL COSTS

Okay, so you've come to terms with the sticker shock of your band fees. You've accepted that you are giving your child a once in a lifetime experience that will teach them discipline and help them build friendships that will last a lifetime. Every effort has been made to keep the costs down. Schools with similar programs charge three to four times what you are paying. How much you spend and on what are largely up to you once the band fees are taken care of. Here are some additional expenses you may not anticipate. This is not an all-inclusive list. Here are some additional costs, but by no means a complete list...

### **Buying Performance Tickets**

Indiana State School Music Association State Final tickets will be on sale in the band department for the week prior to State. Buying them in advance removes the wait in line at Lucas Oil Stadium. These are not reserved seats. Bands of America tickets may be purchased online at [www.musicforall.org](http://www.musicforall.org). It is strongly recommended you purchase these tickets as soon as possible for the BOA Indy Regional and Grand Nationals.

### **Championship rings**

You will be approached during your child's freshman year at Avon to purchase a class ring. Consider whether a standard class ring or a band specific ring would best suit your child's preference. If we win a championship (state, national or both) Herff Jones will design a ring to commemorate the occasion. The rings run around \$300 and full payment is required in the spring (late March/early April).

### **Food and beverage: Snacks, spirit nights, treats to help box moms**

Depending on your budget you will be making or buying lunches for your student in between practices and competitions. Snacks and power drinks may be needed or requested depending on your child. Spirit nights (snack night, cupcake night, soup night) are scheduled throughout the season. The kids really look forward to them and your contributions are welcome. Your child's box mom may supply beverages and snacks after competitions (including Invitationals). Please consider helping them with a contribution of some kind.

### **Invitational fees**

Invitationals require you to pay entrance fees for each person **in cash**. Fees generally run about \$7 per person, but they can run higher. If you can't make it to every invitational, try to make it to a couple. You will see how the show progresses throughout the season and our band really loves to hear the roar of their fans as they take the field.

### **Items for Sale Throughout the Year**

We do sell a variety of other items at booster meetings. Online information will be e-mailed to everyone for any T-shirt order. We will only place one order per T-shirt style so please make sure you watch for this information. The orders will be placed online with Logos Express in early August 2018.

### **ISSMA, BOA fees**

Late in the fall, the state, regional, and national competitions begin. ISSMA event tickets typically cost \$20. BOA tickets start at \$35 but can run higher. This year we will be attending the BOA Super Regional in Indianapolis. Grand National semi-finals and finals are held at Lucas Oil Stadium. Each competition is a separate fee. Avon typically does well, so plan ahead to get your finals tickets early.

### **ISSMA and BOA bling**

You will be tempted to load up on themed T-shirts and sweatshirts at ISSMA and BOA competitions. If you can afford it, they are great mementos. If your budget is a bit strained, consider saving your money for items more personal or specific to your child's interest like professional pictures or an Avon T-shirt.

### **Letter jackets**

Letter jackets are generally not a concern until your child's sophomore year. That being said, if you purchase one, it can cost close to \$300 by the time the embroidery and patches are done. You will have to buy BOA patches. Other patches are provided by the school. Letter jackets are purchased once your child receives their 'letter' their sophomore year/when they are in their second season of marching band.

### **Patches**

BOA Patches (Regional, National) are best purchased at the time of the competitions. If your child is considering getting a letter jacket, you will want to purchase the patches for their freshman year in anticipation of using them for their jacket (purchased their sophomore year). Patches are not expensive, but you will want to be prepared to add them as a budget item.

### **Picture Button**

\$5.00 will get you a photo of your student in uniform to wear on your show shirt. We will take pre-orders before band camp.

### **Show Shirts and Section Shirts**

If you can manage it, invest in show shirts for your family. They run about \$20 and we wear them throughout the season. The kids usually design a sectional shirt, which is totally separate from the show shirt done through the boosters. Your child will likely want one. They run about \$15 and usually paid to the section leader, again, not something done through the booster organization.

### **Championship T-Shirt**

If we win State and/or BOA we usually make a shirt to represent this accomplishment. This would NOT be included in any fee for the student. If anyone wants one - they will have to order one. Again, this will be done as an online order through Logos Express and will be a one-time order.

### **Videos**

Video recording is not allowed at BOA events or events held at Lucas Oil Stadium. You will not be able to record State finals, Regional finals, or Grand National finals, (although some cameras have some video recording capacity). Professional videos are not available due to stringent copyright laws. Live performances can be viewed via Flomarching.com. A subscription is required but they offer plans starting at \$12.50 a month.

**Yard Signs and Car Decals** – We will sell, and you can order yard signs and decals, so your neighbors will know you have a student in the Avon Marching Black & Gold.

## **GUARD SPECIFIC INFORMATION**

### **Attire**

Each guard member will have an assigned locker w/a lock. Each member should plan to keep extra practice clothing in his/her locker as well as a light jacket.

Guard members are required to wear sports bras as well as spandex shorts under practice shorts (it's important that the girls stay appropriately covered). No half shirts, bellies must be covered when arms are raised.

The Guard is expected to have an appropriate change of clothing for Dance Performance class during the school day.

Black leggings (yoga pants) are acceptable. "Jeggings" are not.

Depending on the costume, Guard members will also possibly need to purchase specialty undergarments such as shapewear and strapless bras. It is imperative that seams are not seen!

Tennis shoes (with an arch) are required for practice (girls should be able to see their toe point in the shoe, so no converse, Toms, etc.).

### **Communication**

The guard has a Facebook page where many announcements/reminders will be posted as well as on Charms. If your student does not have a Facebook account, please notify a Senior Guard member.

### **Extra Fees**

Makeup – each member will need his or her own foundation, eyeliner, blush & mascara.

Flowers – The spirit Committee works on putting together flower bouquets for the guard for State Finals and BOA. The cost of 5.00 is built into the guard fee.

Guard Director Gifts – the seniors usually determine what they want to buy and then collect money from each member to contribute toward the present.

Hair – they will always need hairspray and bobby pins.

Medical Bag – the medical bag is to be kept by a parent or staff member only. NO student is to give another student medication. The guard will have the copies of their medical emergency forms to be kept with the medical bag. The boosters will pay for the medical supplies for this bag. The guard will maintain a personal bag with girl related items.

Secret buddy – each member will have a secret buddy who they can buy small presents for before each competition to help motivate each other and get to know each other better in order to create a stronger unit. These gifts are typically small and inexpensive (gum, socks, lip gloss, teddy bears, etc....)

WGI – tickets are usually around \$75.00.

### **Mentors**

The guard will also implement a Mentor system for the Freshman with the Upperclassmen.

### **Practice**

Members should text Daniel (as well as tell another member) if he/she is going to be late to practice. Seniors may be at the school at 4:30 on practice days and are willing to help other members (please notify a senior in advance if you'd like to come early for help). Also, if a member has missed a practice, it is up to him/her to learn what was missed PRIOR to the start of practice.

Freshmen may not TEACH Freshmen. It is okay for freshmen to practice together, but not to critique/correct each other. Practices are always OPEN. Parents are invited/encouraged to come and watch the final run through of the show during practice. Thursdays are typically the best night to watch.

### **Volunteering**

One of the best ways to get involved in the Guard is to HELP!!! Some areas we frequently need help with are: Flags/Sewing, Costumes, Make-Up & Hair, Chaperones/Snacks & Drinks, and Spirit.
